

How to Reserve Time at the Fitness Center – App

note: screenshots were taken with an iPhone – Android may differ slightly

1. Download the app. The icon looks like this:

- 2. Open the app and log in. If you haven't already created an account through the web browser version, you can create an account here.
- 3. Once you create an account, tap the Search icon as shown and then enter **Community House** into the search box shown below. Select Community House (Winnetka) when it appears.

4. You'll see the first screen shown below. Before you click Book to start scheduling, scroll down a bit so you can bookmark the Community House (see second screenshot) so it's easy for you to find in the future:

- 5. You'll see a bar at the top with dates (so you can move from week to week). Within each week, you'll see a menu of times you can reserve for the Fitness Center or for one of our private Peloton Experience Studios.
 - If you only want to see times for Fitness Center Reservations (no Peloton), click on the pull down list that says Any Class and select only the options you want to see (shown at right below).
 - Note that you can see how many spots are left, directly under the time for each listing.
 - To reserve your time, click the Sign Up button on the right. But keep reading you have a couple more steps to confirm your reservation!
