Our new program guide marks a new beginning for our beloved Community House. This 108-year-old institution is more than just a building; it is about the people inside. It is about our community.

We are launching a new branding/logo and website for the House! We are reaching back into our history and heritage as we push forward with new energy honoring our tradition of bringing people in our community together. We want all of you to see and feel our vibrancy and boldness in everything we do. From the over 285 new programs we have added in the past 18 months, to our events, our performances, our new gardens, our wonderful tenants to our new state of the art fitness equipment and our ESL classes.

The Community House is the place to come together, for all of us—to learn, play, create, develop and meet neighbors—developing friends. I have met many families who have been coming to the Community House for multiple generations, who still are friends with people they have met here, making memories! It is a place of gathering for all ages—from a 6-month-old child to a wise grandparent.

I hope the Community House feels like home to you—it should—it is your house!

We have made many structural improvements in this beautiful house: new roof, replaced broken sidewalks, re-purposed rooms, new Garden, lobby charging stations and added new landscaping for all of you to enjoy! While the look of the Community House evolves, our mission and values remain the same.

We could not do these things without you. We exist for you. We thrive on the energy of you being a guest in this Community House. If you have not been here in a while, please come in for a visit and explore all we offer to the community, join us....

The Community House is an independent, thriving, robust nonprofit. The Community House will be here for a long time.

One of the most exciting parts of my job is hearing the many voices and laughter of guests all around this 103,000 square foot facility. I am honored to be the caretaker of this house.

We can not do it without YOU coming to our house. Thank you for Joining Us!

THANK YOU THANK YOU THANK YOU

Building a lasting and meaningful experience through generations

Our Roots: Our brand has a deeply rooted connection to the community and we are forever evolving to the ever-changing world around us. To generations of North Shore residents, the Community House has been a welcoming place offering social, cultural, educational, and recreational opportunities to those of all ages. We are unique because we offer an education and development center, exhibition and meeting center, a fitness and sport center, a community playhouse, and a historic garden venue all in one location.

Our Journey: The first step in the journey to re-energize our brand began with listening to the needs of the residents and business owners within Winnetka and the surrounding area. This process helped us better understand what the Community House means to you, your family, and the community. It also allowed us to rethink both our brand identity and our offerings.

Our Goal: Establish the Community House as the place of engagement by enriching people of all ages through the spirit of community. We must align and focus our brand and messaging on the human need for togetherness, belonging, and community.

Our Mark: This is expressed perfectly in our new word mark, which boldly emphasizes what the Community House is all about: **unity**. The words "community" and "house" are magnetically drawn together and unified with the word **"unity."** This creates a unique, ownable and meaningful word mark.

Our Icon: Above this word mark, and dotting the "i" in unity, is a classic contemporary icon of our distinctive and 100-year-old architectural roof line. This recognizable icon symbolizes the Community House as the center of the community and shows that everything we offer is under one roof.

Our Voice: Our exciting new brand voice and vibrant color palette extends throughout all our communications. This bright and bold color palette and typographic treatment communicates the key areas of our brand offerings and helps our members, tenants and visitors navigate our program guide, website, and marketing materials, as well as the physical building. You will see this represented throughout this newly designed program guide and communication signage throughout our building.

Our Future: We are very excited about our future and all that we have accomplished to build this essential and historic brand within this beautiful North Shore community. We are delighted to share our brand's mission: to be a place of engagement, welcoming to all, built on the spirit of community, togetherness, and belonging.

joinus!

We are looking**forward** to seeing you!

THE WOMAN'S BOARD OF WINNETKA

The Woman's Board was formed in 1976 by an enterprising group of women to support the entity they considered vital to the unique quality of their community. Their children had spent Saturday afternoons playing ball in the gym of the Community House, watched movies in Matz Hall on Friday evenings and congregated during after-school hours at the bowling alley. Bridge groups, armchair travel lectures and theatre offerings all found a home through the years at the Gothic-style building located at Pine Street and Lincoln in Winnetka. Over the years, the landscape of the Community House has changed, but the fundraising efforts of the Woman's Board has always stayed constant. Today, eighty-five percent of the funds raised by the Woman's Board go directly to the operating budget of the Community House, with the remainder earmarked for special projects and needs. These funds, along with generous and ongoing support from local businesses and residents, have helped to grow and sustain the Community House one of the only institutions of its kind in the United States. Our members are a multi-generational group of women, working together to support and promote the Community House. We work in a team environment with many opportunities for individual contributions. Members of the Woman's Board are unofficial "ambassadors" for Winnetka Community House. Members are encouraged to attend and participate in events sponsored by the Woman's Board, such as the Antiques + Modernism Winnetka Preview Party and other member social events, and to volunteer when possible as additional "woman power" is needed.

Great for beginners & connoisseurs alike, IMPROV FOR ADULTS, is a great place to step out of your comfort zone and into a new you. Since our early beginnings in 1908, The Winnetka Club has been an integral part of the civic and philanthropic life of the North Shore Community. The services and support provided by the Club have changed with the demands of the times, and we continue our tradition of "giving back" as we celebrate our 110th anniversary in 2018. During World War I, service projects in support of civilian efforts were the focus. During the years of World War II and beyond, members have been instrumental in ensuring home delivery of mail and providing other needed services - as well as organizing the PTA and League of Women Voters in Winnetka. Each May, we host our annual Housewalk, featuring amazing homes around the NorthShore; proceeds from the Housewalk support our annual scholarships to graduating seniors who live in New Trier Township. The Club also supports many other philanthropic endeavors throughout the North Shore and Chicago community. We welcome new members as we look to grow and expand our reach. We host a monthly Book Club and offer many other social and cultural events for our membership, including monthly Friendraiser dinners in local restaurants, engaging lectures and activities, and other membership events to enrich and empower.

Community House Winnetka continually strives to reduce such risks, and insists that all participants follow safety rules and instructions which have been design to protect the participants safety. Please recognize that the Community House of Winnetka does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering himself/herself or a family member for a recreation program/activity should review his/her own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Community House of Winnetka automatically responsible for payment of medical expenses. Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the Community House of Winnetka requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated. I further agree to indemnify by me or arising out of, connected with, or in any way associated with the activities of the program. In the event of emergency, I authorize the Community House of Winnetka officials to secure from any licensed hospital, physical , and/or medical personal any treatment deemed necessary for immediate care, and agree that I will be responsible for payment of any and all medical services required.
